Welcome Message

Dear Friends & Fellow Physicians,

On behalf of the organising committee of the **IPF MEDICON 2026**, it is our great pleasure to Welcome you to the **8th Annual International Conference of Innovative Physicians Forum "IPF MEDICON 2026"** in association with **The Royal College of Physicians of Edinburgh (RCPE UK)** & in collaboration with **Society of Internal Medicine of Nepal (SIMON)** **Sri Lanka College of Internal Medicine (SLCIM)**, **Kasturba Medical College Manipal (A Constituent Unit of MAHE, Manipal)**, **All India Association for Advancing Research in Obesity**. The conference has been scheduled on **Saturday 29th & Sunday 30th August 2026**, **Hotel Pullman and Novotel, Aerocity, New Delhi**.

This Gathering brings Together global experts, clinicians, and researchers to explore cutting edge advancements in metabolic diseases, diabetes, obesity and Internal Medicine and foster collaborative, patient-centric care.

This year, the theme of our conference is **"Metabolic Medicine at Crossroads: Diabetes, Obesity, and the Future of Internal Medicine"**.

As we all know that we are living in an era of intensifying national crisis of obesity, along with Type-I and Type-II Diabetes in both – Adults and Adolescents. This annual conference aims to provide an enriching academic experience by showcasing the latest advancements in the field of medicine. In addition to offering clinical updates that are essential for medical practice, the conference will serve as a platform for our members and fellow physicians to interact, exchange ideas, and enhance their understanding of medicine. It will also create opportunities to connect with leading experts from across India and other countries.

The landscape of medical knowledge is evolving at an extraordinary pace from the fundamentals of pathophysiology to the development of cutting-edge interventions the past decade has witnessed remarkable transformations in medical specialties, sub-specialties and super-specialties. On one hand our insights into molecular biology, genetics, epigenetics, and pathophysiology have deepened while on the other innovative interventional techniques have revolutionized the therapeutic approaches.

The Innovative Physicians Forum® - true to its name, holds immense potential to emphasize research and academics. This will be evident throughout the conference, featuring free paper presentations, engaging sessions, poster exhibitions, medical quizzes, orations, state-of-the-art lectures and keynote addresses.

We look forward to your enthusiastic participation in large numbers contributing to the success of this conference.

With best wishes!
